Attachments: 5-sig letter_Catalina DDT_ M. Regan.pdf; 6.21.21 LA County Board of Supervisors Response Letter.docx

The letter is BACK! While we were drafting the attached response to the LA County Board of Supervisors letter, LAC BoS Chair Hilda Solis was scheduled to have a phone call with Administrator Regan that negated the need for a written response to the BoS letter. Unfortunately, the call ended up not happening, and OCIR has requested that we continue to move forward with a written response. Big thank you to Judy for bringing this to my attention again!!
I wanted to check in with you both to see if there is anything you would like to edit or change in the attached draft?
Thank you so much!

Julia

Hi John:

My edits to the draft letter is attached.
Sorry for the edits and comment.
Please feel free to ignore them.
Something about the original letter just didn't quite flow correctly for me.

I've also attached the original letter to Administrator Regan for your reference.

Thanks!

J

Good evening!

Attached is a draft response to the LA County Board of Supervisors letter to the Administrator for your review.

Thank you!

Julia

Good afternoon!

Mike you are correct, the letter was controlled to R9 yesterday, and I'll have a draft response for your/SEMD's review by COB today.

Thanks,

Julia

Adding Julia and Sonam – I'm fairly certain that this letter from LA County to the Administrator was indeed very recently controlled to R9 by HQ for reply.

Julia can you please confirm, and let this group know status of response?

Thanks,

Subject: Incoming letter to Administrator re: DDT deep-ocean disposal

Hi all,

Avi Garbow just sent me this letter to the Administrator and asked for information on the issue. I sent the paper you'd drafted for Janet (I made a few small edits).

Had anyone seen the incoming? Does it appear in CMS?

Avi may ask for a quick call to ask questions; if so, I'll let you know.

Thanks.
